

DONOR LIST FY23

The Board of Directors and staff of The Athenaeum of Philadelphia are grateful to the many individuals, businesses and foundations whose generosity supports our operations, programs and National Historic Landmark library. This list reflects cumulative pledges and gifts above membership dues to the annual fund, special sponsorships and the 21st Century Athenaeum Campaign received between July 1, 2022 and June 30, 2023. Every effort has been made to produce an accurate and complete list of contributors. If an error or omission has been made, please call the development team at 215-925-2688.
